From the pen of Sr. Pastor Mark Beatty

Dear Sisters and Brothers in Christ,

As we approach February, we're roughly midway through the season of Epiphany, which began on January 6th with the day of Epiphany, remembering the star that guided the Magi and introduced Jesus Christ as the light of the world. It culminates with the Transfiguration of our Lord on February 27th, another day of bright light, before transition comes on Ash Wednesday (March 2nd) into Lent. These bookends of light on January 6th and February 27th frame the season of Epiphany. In cultural lingo, the season of light refers to the Christmas holiday season, but for us as Christians that light continues throughout Epiphany.

So as we journey together in this continued season of light, what new insights will we discover? An epiphany is sometimes described as an "aha!" moment, of seeing something in a new way, or with a new revelation. In the church season of Epiphany, we look for the revealing of the light of Christ, perhaps in new ways out in the world, or also in new ways in our hearts with how we see and receive our Lord. So let's continue to explore together how God's word and God's light continue to be revealed in the world, in our church, in our homes, and in our hearts. One interesting tidbit is that from here through the rest of Epiphany, each New Testament reading will come from Corinthians and each Gospel will be from Luke. So perhaps consider reading the Bible this month with an Epiphany focus on Luke, from the Christmas story in chapter 2 through chapter 6. Also in Corinthians, consider special attention on 1st Corinthians 12 through chapter 16. If you come across an "aha" or any possible Epiphany revelation, let me know! Let's be on the look-out together.

Looking overall with how we finished the year, how about some good news along with thanks and praise? We officially completed our 3-year capital campaign, Pay It Back, Pay it Down, Pay it Forward, at the end of 2021, though a few final gifts are still coming in for the campaign through January 31st, 2022. Thank you to all the congregation and to Jim Wood and the whole capital campaign committee for such generous giving and stewardship management. In these three years, we've raised more than \$556,000! Also, since the fall of 2017 when I began at HT, we've cut the mortgage in half.

These are fantastic wins to celebrate, and both wins bode well for our future planning and ability to continue being a place of witness and faithful service to the Lord here in Cobb County both now and for generations to come. Still as you know, following the summer we dipped lower and lower with general giving, and although overall long-term stewardship was great (as mentioned above), the bank balance for current ministry dwindled. Thank you so much for all who responded to our creative HT Christmas Challenge in November and December for "over-and-above" giving to help HT's immediate ministry and property needs. Thanks also to Joe Paonessa and Alice Rohrbach for being our champions and representatives for property and overall ministry in this giving. "Team Alice" with overall ministry took the lead early on, but "Team Joe" with property came back strong and held a slight lead much of the "race." Although I announced what would seem to be a Team Joe victory several weeks ago on January 9th, additional giving came in and Alice is now back ahead. Who will be the final, final winner? With nearly \$39,000 total between both teams as of this writing for over-and-above giving, the clear winner is Holy Trinity and God's ministry here in this place!

Thank you to everyone who has stepped up with increased generosity for ministry. With a strong December of giving and the great results of our HT Christmas Challenge, in the end we erased our deficit in giving and finished the year \$3,000 in the black. Also for 2022, we have an all-time high amount pledged for ministry.

A Message from our Church Council President

Dear Friends in Christ,

My first meeting with some of our committees was very interesting to say the least. Our committee chairs are most dedicated with a vision for the future. Below are some highlights:

Steven Reece from Youth and Children Education discussed what format we should have for this year's Easter Egg Hunt.

Sabra Black representing Worship noted, Christmas will be on a Sunday this year followed with much discussion about our Christmas Eve services as well as the Sunday Christmas Day services.

Joe Paonessa, the new Chair for Property, gave a presentation for the new exterior doors and locks for the Sanctuary. Estimates have been received. (Capital Campaign Project). We do not have a start date. Other noteworthy projects include roof leaks, short term and long term, banner signs and an electronic signs update.

Bill Hetherington from Property submitted a status of repair and replacement recommendations for the HVAC systems. Many of our units were installed in 2002, 2003 and 2007 and will require repair or replacement in 2022. Repairs have been completed on unit 1-A&B needed for the Christmas Season. Estimates for the remaining units are forthcoming.

Amanda Masters from Finance updated our finances for December with a profit of \$7,766.29. Congratulations to our congregation for the generous contributions to achieve our goal with a year-ending positive balance.

Also, kudos to Alice Rohrbach and Joe Paonessa for sponsoring the extra giving campaigns for Ministries and Property, and to all of you who contributed to these campaigns. These generous contributions of over \$19,000 each will go a long way for Holy Trinity and our future programs.

Yours in Christ,

Al Nordin, Council President

Looking back on the HT Christmas Challenge, the challenge of this pandemic, and each challenge, I hope you have a sense of our spirit in this congregation, and also my sense as pastor here. We have met every challenge head on and remained faithful throughout. We've stepped out boldly in faith time and again, yet also moved with caution not based on feeling or weariness but on data and our best discernment of actual danger and risk while also striving to live and live fully in God's name. Financial struggles near year end could have led to putting our head in the sand or a "serious" and guilt-provoking push for giving. We were honest and open with our situation but made it into a fun "challenge" that worked! Thanks be to God for this and thank you to each and every person who responded so generously for the faithful ministry of our church. Now in thanksgiving and hope, let's look forward to what God has in store for us next, and seek together in faith the revealing of the light of Christ. For He is the light of the world, the light no darkness can overcome.

In Christ's Love,

Pastor Mark

Stewardship

A Message from Your Stewardship Ministry Team:

“There is more happiness in giving than receiving.” - Acts 20:35

Do you want to be known as a joyful person? We don't mean someone who is always happy. That's just not possible. We mean someone who has the joy of the Lord, whose hope is not shaken by life's ups and downs. A joyful person sees God at work, even in their trials.

How do you become a joyful person? Jesus said in Acts 20:35, *“There is more happiness in giving than receiving.”*

This verse is really very honest. Does Jesus say there is no happiness in receiving? No. There is happiness in receiving but Jesus says there's **more** happiness in giving.

Unfortunately, that's the exact opposite of what the world thinks. Most of the world thinks there is more happiness in *getting*. The more you get, the happier you'll be. But Jesus doesn't think like the world. He knows you are most like him when you are giving --- and that giving produces joy.

When people visit Holy Trinity Lutheran Church, they have commented that it's a joyful church. Do you know why? It's because it's a generous church. People love to give! When you're generous it results in joy. It feels good to give.

God wants us as individuals and churches to be more generous, because it makes us more like him. He uses our giving to bless others. And, in turn, he uses our generosity to bless us.

Do you want your family to be more joyful? Then look to be more generous as a family. Do you want to be a more joyful person? Then look to be more generous as a person.

Your joy will be a light to those around you. Your generosity will be a blessing!

In His Service,

Bill Van Buskirk

YOUTH SERVANT VOLUNTEERS NEEDED

Did you know that when you serve, you are becoming the hands and feet of Jesus? Serving is a large part of growing as followers in Christ. For those in our youth program at Holy Trinity, Sunday worship servant hours are a part of the confirmation class requirement. Serving as a youth doesn't stop after confirmation. Parents are also encouraged to help by getting involved and encouraging their youth to participate as often as available.

Sunday Servant opportunities are available for both 8:30am & 11:00am as Acolyte, Crucifer and Reader. Please let us know dates you are available this month by sending an email to churchoffice@holylrinitymarietta.org. A rotation schedule will be posted later this month.

MUSIC MINISTRY SCHEDULE We are adjusting our schedule due to the recommendations of our COVID Team. While the number of new cases and hospitalizations are falling, we still want to be safe. With that in mind, the following is our projected schedule:

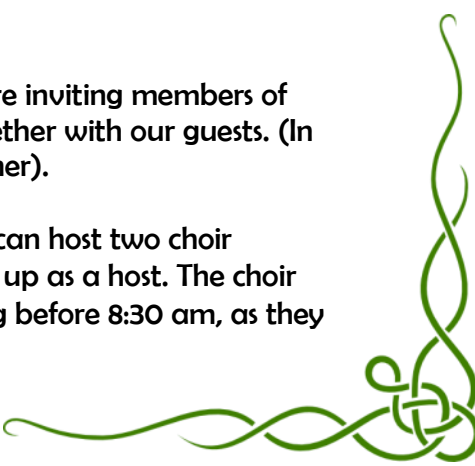

- Chancel Choir – TBA until we have a larger drop in COVID numbers
- Preschool Choir – Wait further until we have a larger drop in COVID numbers
- Trinity Treblers and Middlers – TBA until we have a larger drop in COVID numbers
- Kings Ringers – Return on Monday, February 7 at 7:15 pm
- Trebler and Middler Chimes – Tuesday, Feb 8 at 5:30 pm
- Trinity Orchestra - TBA until we have a larger drop in COVID numbers

It is unfortunate that we have to wait for singing and wind-blown instrumental groups for rehearsals and worship, but transmission through the air is how this virus spreads, and this particular variant is highly contagious. We want to do our best to be responsible and to take care of every member of our congregation. The COVID team feels the number of cases and hospitalizations will decrease rapidly. At that point, we can then return to our fully-staffed music ministry with choral groups, and wind instrumental ensembles.

CELTIC LENTEN SERVICE FEATURING THE GRAND VIEW UNIVERSITY CHOIR The Grand View University Choir (an ELCA University) of Des Moines, Iowa will be our guests on March 16 at 7:00 pm This is a 25-member choral ensemble that is under the direction of Dr. Katherine Duffy. Dr. Duffy will be working with our pastors and music ministry staff to plan this special worship service.

We need the assistance of our congregation for the following:

- 1) A covered hot dish dinner will be served at 5:30 pm. We are inviting members of Holy Trinity to bring a dish, and enjoy a time of fellowship together with our guests. (In addition, we will need help with the cleanup following the dinner).
 - 2) We also need housing for the members of the choir. If you can host two choir members in your home, please speak with Vince about signing up as a host. The choir members need to be back at Holy Trinity on Thursday morning before 8:30 am, as they will be travelling to Huntsville, Alabama.
- 

COFFEE FELLOWSHIP

We still need help!!!!

We are in desperate need of volunteers.

Please consider volunteering for either the 8:30 service or the 11:00 service, one Sunday a month, working with at least one other volunteer. Duties include setting out prepared dishes on the tables in the Fellowship Hall, mingling with the congregation during Fellowship, then returning dishes to kitchen to be washed, dried, and put away. First service workers have a little more to do before Fellowship, second service workers have a little more to do following Fellowship.

It really is more fun than hard work – a lot of camaraderie, not only with the congregation, but with those sharing the kitchen with you.

Try it – I think you'll find it's a very rewarding task!

If you think this might be a good way to serve God by serving your congregation, please contact Weegie Hoffman at 770-855-1145.

Prayer Requests

Just a reminder that submissions should be received by 3 pm on Monday in order to make Tuesday's E-News. Before requesting someone be added to the prayer list, make sure you have their permission. Names will be listed in Enews and bulletins in the same way they are listed in the request – if full name is provided it will be listed; if only the first name is provided, then only the first name will be listed. Due to privacy, we will not be able to provide the reason for prayer request. In addition to submitting prayer requests on the blue cards handed out with the service bulletins, you can also email a request to churchoffice@holytrinitymarietta.org.

Sanctuary Flowers in Memory or Celebration

If you would like to provide flowers for the Sanctuary in memory of someone special or in celebration of a special event, you can find the sign-up sheets in the binder located in the fellowship hall.

NOTE: FLOWER ARRANGEMENTS COST \$65 AND MUST BE RECEIVED BY THE WEEK PRIOR.

New Holy Trinity Website (Under construction)

Our current website program has become outdated and at times we have been unable to timely upload updated information as the hosting company can not support it easily. So, we are working on a new site with a new look. Watch for it soon.

2021 Holy Trinity Lutheran Church Lenten Water Project

Our donation focus for God's Work-Our Hands during this Lenten season is running water for citizens in Appalachia.

March 2 (Ash Wednesday) through April 17 (Easter Sunday)

Why donate to Dig Deep's Appalachia Water Project?

100% of your donations go directly to the Appalachia Water Project. We want to help those needy families whose running water is cloudy, dirty, and unfit to drink and who sometimes shower after a downpour by standing under a gutter.

- Dig Deep field projects always establish local water councils: groups of 8-10 locals who care for a new water source. Their input and decision-making ensure each project's long-term sustainability.
- McDowell County in West Virginia experienced a drastic drop in population between 1950 and the most recent census: from 100,000 in coal mining's hay day in 1950 to 17,600 in 2010. No more coal mining support for their water systems, a drastic drop in their tax base, and a drop in federal dollars for supporting community water systems provided the perfect storm for a lack of running water and septic systems.
- Dig Deep's immediate help for these people in need is to provide Hydropanels, a special type of solar panels that create water from sunlight and air by using solar energy to draw water out of the air. Those panels provide 117 liters of clean, free water available to the local people for pick-up. Soon, Dig Deep will provide water systems like those they are providing for the Navajos so that people will have running water.
- To find out more about the dire need for water in McDowell County, watch the You Tube video – CBS Sunday Morning's – Americans Without Water (July 26, 2020)
- **How can WE help?**
Make out your check to Holy Trinity Lutheran Church during Lent. On the "For" line, write Dig Deep: Appalachia Water Project.

The Appalachia Water Project is a program of the DigDeep Right-to-Water Project 501c3.

For more information about this project, go to digdeep.org.

Questions or Suggestions – Contact Judy Hays at judyshealyhays@gmail.com or 404-932-1387.

Opportunities for social ministry and community outreach can be suggested by anyone in the congregation. This particular idea was from John Stuetzer and on Saturday, January 15th, Bible On Tap, had their inaugural "Keep Cobb Beautiful" litter pickup on Sandy Plains Rd. from Ebenezer to Davis Rd. They have adopted this mile and will be doing this quarterly going forward. This was a great idea! Well done to those involved!!

MUST Lunches

Thanks to all of our HT volunteers, our community received 50 plates of food, plus second and third helpings at MUST in January.

MUST will be having their Grand Opening and ribbon cutting for their new building on March 18, 2022 and an Open House on March 19, 2022. Kitchen tours of the new MUST kitchen begin mid to late February 2022. The new kitchen is 3 times the size of the current kitchen where we now serve. Group training begins April 16, 2022.

We are always looking for more volunteers to provide food and to join our team! If you would like to pay for a casserole, purchase peaches, purchase salad fixings or purchase cookies, please let me know.

MUST
MINISTRIES

MUST Ministries Fights Hunger in Community

MUST Ministries works to eliminate hunger through several community food programs.

- Neighborhood Pantries – Partnering with over 30 schools throughout Cobb County, including KSU, MUST stocks their pantries with food and toiletries. Families of at-risk students can come to the pantry once a month to choose items they need.
- Senior Food Program - MUST offers a monthly shelf-stable supplemental grocery box with some fresh options along with a rotating selection of household essentials to seniors in need.
- Mobile Bus Pantry – This food bank on wheels delivers fresh meat, dairy and produce as well as non-perishables to food desert neighborhoods where many folks have transportation challenges.

There is a variety of volunteer opportunities for these programs. One of the easiest is to email neighborhoodpantry@mustministries.org and request to be added to the weekly e-mail distribution list. A shopping list will be emailed each week. The total cost of items is less than \$6.00 and you can drop them off here at Holy Trinity in the MUST shopping cart. Volunteers are also needed to sort food, stock shelves and serve families. To learn about all the volunteer opportunities at MUST, consider attending a [New Volunteer Orientation](#).

MUST Ministries Donations

In addition to the ongoing need for non-perishable food, MUST is asking for the following items for the new shelter opening in March: Complete sheet sets (twin, full or queen), new towels, new pillows.

THEN HE LIFTED UP HIS

FOR YOU SHALL LAUGH.

Thank You and Good News from Holy Trinity's Women of the ELCA!

We are happy to report the success of our December 2021 "No Bake Cookie Sale". Due to the generous donations from our congregation, we reached our goal to support the 2022 HT Women of The ELCA Education Scholarship and for that we are so very thankful. We are all hoping to get back to baking in December to enjoy the talents of HT bakers.

And now for more good news, we plan to host the annual Ash Wednesday Soup and Sandwich Supper once again. If all continues in a positive direction for gathering and dining together, mark your calendar to meet for dinner in the Upper Room before the Ash Wednesday service at **6:00 pm on Wednesday, March 2nd**. As in the past, we ask for contributions of soups, breads and desserts. See back page for more details.
